Registration Information

Fees and tuition
www.highline.edu/stuserv/registration/tuition.htm

The fees and tuition payment due date is listed in “Important Dates” on the first page or, if you register after this date, within one week. Continuing and new students who register early may defer payment.

For refund deadlines, see page 1.

Note: To accommodate students waiting to register, instructors may withdraw students who have not attended at least 60 percent of the class during the first five instructional days of the quarter. Students can contact the instructor to request an exception to the policy.

Building Fee: $2.50 per credit for one to 10 credits per quarter ($25 maximum), assessed at the time of registration. This additional fee was established by a vote of the students to cover costs of a new student center.

COMPASS Test: Free initial testing for students who pay the admissions application fee noted above. A $4.10 fee will be charged for retesting.

Instructional Technology Fee: $37.70 for students enrolled in computer-related courses.

Late Course Add Fee: $45 per course added with approval after the deadline listed in “Important Dates.” Instructor signature required.

Parking: Permits are required to park on the college’s main campus. Students can purchase a parking permit online at www.highline.edu/admin/safety/parkingpermits.htm or at the Cashier window. A parking permit does not guarantee a parking space.

Picture ID: Free for students who paid application fee. $10.60 for students enrolling in credit classes who have not paid application fee.

Transcript Fee: Official transcript copy costs $3.80. Allow five days to process each request. Free unofficial transcripts are available online at www.highline.edu.

Estimated tuition schedule
Tuition and fees are subject to change by the Washington State Legislature.
